

**International scientific conference of the  
students and young scientists "FARABI ALEMI"  
(April 06-08, 2023)**

The Faculty of Philosophy and Political Science of the Al-Farabi Kazakh National University invites you to take part of the **International Conference of Students and Young Scientists "FARABI ALEMI"**, which will be held on **April 06-08, 2023**.

Students, undergraduates, doctoral students, young scientists of the Republic of Kazakhstan and countries of the near and far abroad are invited to participate in the conference.

Participants' reports will be heard **06 - 07 April 2023** at breakout sessions.

**The main goals and objectives of the conference:**

- 1) to stimulate research interest and educational activities among students;
- 2) to encourage students and young scientists to address current scientific issues;
- 3) to encourage participants to disclose creative abilities, select and support the most talented and outstanding students;
- 4) to assist in the formation of the intellectual potential of young scientists.

**As part of the conference from 06 to 07 April 2023, the following will be held:**

1. *Open House Days.*
2. *Round tables.*
3. *Scientific debate.*
4. *Master classes.*
5. *Meetings with prominent scientists.*

Based on the results of the conference, **a collection of scientific papers will be published in electronic format.** Participation and publication of materials is free!

Working languages - **Kazakh, Russian, English.**

**You can take part in the conference as a speaker and listener. The speaker has the opportunity to provide an article for the collection. It is also possible to participate in absentia with the provision of an article without direct presence at the event.**

**Applications and articles are accepted in electronic form by those responsible for the conference sections until March 15, 2023.**

The conference is planned to consider problems of various branches of modern science in the following areas:
