## **2. The procedure for conducting competitive selection**

The selection competition is decided by KazNU in an online format on the ZOOM platform. The dates of the selection tests (exams) are from May, 16 to May, 20, 2022. Qualifying entrance exams are taken by the faculty teachers. The commission consists of the Chairman, members of the commission and the secretary. The secretary of the commission is responsible for the protocol. The Secretary may not interfere with the work of the competitive selection committee.

It is necessary to do 30 tests (10 tests for each subject) in mathematics, world history and the English language for determining the applicant's knowledge level for an academic bachelor's degree.

During the interview, the applicant must show his comprehensive thinking by answering the general cognitive questions of the selection committee.

The interview is conducted individually with each applicant, in a free dialogical form.

Questions scores and answers are recorded in the protocol.

The main task at these stages is an in-depth acquaintance with the applicant's worldview, search abilities, observation of applicants' professional orientation, the level of general knowledge.

The Commission makes a collegial decision on the final assessment of the interview, if necessary, makes special comments. The maximum total number of points for the admission of candidates is 100. An applicant who scored less than 2 points in each subject on the tests cannot participate in the interview. Applicants who scored less than 50 points on the total score or did not show up for an interview are considered not to have passed the qualifying competition. Retake of the interview is not allowed. Some issues not regulated by the rules are resolved in accordance with this program.
